EARLY CHILDHOOD INITIATIVES

§ 143B-168.10. Early childhood initiatives; findings.

The General Assembly finds, upon consultation with the Governor, that every child can benefit from, and should have access to, high-quality early childhood education and development services. The economic future and well-being of the State depend upon it. To ensure that all children have access to high-quality early childhood education and development services, the General Assembly further finds that:

(1) Parents have the primary duty to raise, educate, and transmit values to young preschool children;
(2) The State can assist parents in their role as the primary caregivers and educators of young preschool children; and
(3) There is a need to explore innovative approaches and strategies for aiding parents and families in the education and development of young preschool children. [1993, c.321, s. 254(a); 1998-212, s. 12.37B(a).]

In the event that the North Carolina Partnership determines that a local partnership is not fulfilling its mandate to provide programs and services designed to meet the developmental needs of children in order to prepare them to begin school healthy and ready to succeed and is not being accountable for the programmatic and fiscal integrity of its programs and services, the North Carolina Partnership may suspend all funds to the partnership until the partnership demonstrates that these defects are corrected. Further, at its discretion, the North Carolina Partnership may assume the managerial responsibilities for the partnership's programs and services until the North Carolina Partnership determines that it is appropriate to return the programs and services to the local partnership.

The standard fiscal accountability plan shall, at a minimum, include a uniform, standardized system of accounting, internal controls, payroll, fidelity bonding, chart of accounts, and contract management and monitoring. In determining whether to adjust its allocations to local partnerships, the North Carolina Partnership shall consider whether the local partnerships are meeting the outcome goals and objectives of the North Carolina Partnership and the goals and objectives set forth by the local partnerships in their approved annual program plans.

The North Carolina Partnership may use additional factors to determine whether to adjust the local partnerships' allocations. These additional factors shall be developed with input from the local partnerships and shall be communicated to the local partnerships when the additional factors are selected. These additional factors may include board involvement, family and community outreach, collaboration among public and private service agencies, and family involvement.

On the basis of performance assessments, local partnerships annually shall be rated 'superior', 'satisfactory', or 'needs improvement'.

The North Carolina Partnership may contract with outside firms to conduct the performance assessments of local partnerships.

(c) The North Carolina Partnership shall require each local partnership to place in each of its contracts a statement that the contract is subject to monitoring by the local partnership and North Carolina Partnership, that contractors and subcontractors shall be fidelity bonded, unless the contractors or subcontractors receive less than one hundred thousand dollars ($100,000) or unless the contract is for child care subsidy services, that contractors and subcontractors are subject to audit oversight by the State Auditor, and that contractors and subcontractors shall be subject to the requirements of G.S. 143C-6-22. Organizations subject to G.S. 159-34 shall be exempt from this requirement.

§ 143B-168.13. Implementation of program; duties of Department and Secretary.

The Department shall:

(1a) Develop and conduct a statewide needs and resource assessment every third year, beginning in the 1997-98 fiscal year. This needs assessment shall be conducted in cooperation with the North Carolina Partnership and with the local partnerships. This needs assessment shall include a statewide assessment of capital needs. The Department may contract with an independent firm to conduct the needs assessment. The needs assessment shall be conducted in a way which enables the Department and the North Carolina Partnership to review, and revise as necessary, the total
program cost estimate and methodology. The data and findings of this needs assessment shall form the basis for annual program plans developed by local partnerships and approved by the North Carolina Partnership. A report of the findings of the needs assessment shall be presented to the General Assembly prior to April 1, 1999, and every three years after that date.

(2) Recodified as (a) (1a) by Session Laws 1998-212, s. 12.37B (a).

(2a) Develop and maintain an automated, publicly accessible database of all regulated child care programs.

(3) Repealed by Session Laws 1997, c. 443, s. 11.55(m).

(4) Adopt, in cooperation with the North Carolina Partnership, any rules necessary to implement this Part, including rules to ensure that State leave policy is not applied to the North Carolina Partnership and the local partnerships. In order to allow local partnerships to focus on the development of long-range plans in their initial year of funding, the Department may adopt rules that limit the categories of direct services for young children and their families for which funds are made available during the initial year.

(5) Repealed by Session Laws 1996, Second Extra Session, c. 18, s. 24.29(c).

(6) “Annually update its funding formula, in collaboration with the North Carolina Partnership for Children Inc., using the most recent data available. These amounts shall serve as the basis for determining 'full funding' amounts for each local partnership.”

(b) Repealed by Session Laws 1998-212, s. 12.37B(a), effective October 30, 1998. [1993 (Reg. Sess., 1994), c. 766, s.1; 1996, 2nd Ex. Sess., c. 18, s. 24.29(c); 1997-443, s. 11.55(m); 1998-212, s. 12.37B(a), (b); 2000-67, s. 11.28(b).]

"§ 143B-168.14. Local partnerships; conditions.

(a) In order to receive State funds, the following conditions shall be met:

(1) Each local partnership shall develop a comprehensive, collaborative, long-range plan of services to children and families in the service-delivery area. No existing local, private, nonprofit 501(c)(3) organization, other than one established on or after July 1, 1993, and that meets the guidelines for local partnerships as established under this Part, shall be eligible to apply to serve as the local partnership for the purpose of this Part. The Board of the North Carolina Partnership may authorize exceptions to this eligibility requirement.

(2) Each local partnership shall agree to adopt procedures for its operations that are comparable to those of Article 33C of Chapter 143 of the General Statutes, the Open Meetings Law, and Chapter 132 of the General Statutes, the Public Records Law, and provide for enforcement by the Department. The procedures may provide for the confidentiality of personnel files comparable to Article 7 of Chapter 126 of the General Statutes.

(3) Each local partnership shall adopt procedures to ensure that all personnel who provide services to young children and their families under this Part know and understand their responsibility to report suspected child abuse, neglect, or dependency, as defined in G.S. 7A-517.

(4) Each local partnership shall participate in the uniform, standard fiscal accountability plan developed and adopted by the North Carolina Partnership.

(b) Each local partnership shall be subject to audit and review by the North Carolina Partnership. The North Carolina Partnership shall contract for annual financial and compliance audits of local partnerships that are rated "needs improvement" in performance assessments authorized in G.S. 143B-168.12(a)(7). Local partnerships that are rated "superior" or "satisfactory" in performance assessments authorized in G.S. 143B-168.12(a)(7) shall undergo biennial financial and compliance audits as contracted for by the
North Carolina Partnership. The North Carolina Partnership shall provide the State Auditor with a copy of each audit conducted pursuant to this subsection.

"§ 143B-168.15. Use of State funds."

(a) State funds allocated to local projects for services to children and families shall be used to meet assessed needs, expand coverage, and improve the quality of these services. The local plan shall address the assessed needs of all children to the extent feasible. It is the intent of the General Assembly that the needs of both young children below poverty who remain in the home, as well as the needs of young children below poverty who require services beyond those offered in child care settings, be addressed. Therefore, as local partnerships address the assessed needs of all children, they should devote an appropriate amount of their State allocations, considering these needs and other available resources, to meet the needs of children below poverty and their families.

(b) Depending on local, regional, or statewide needs, funds may be used to support activities and services that shall be made available and accessible to providers, children, and families on a voluntary basis. Of the funds allocated to local partnerships for direct services, seventy percent (70%) of the funds spent in each year shall be used in child care-related activities and early childhood education programs that improve access to child care and early childhood education services, develop new child care and early childhood education services, and improve the quality of child care and early childhood education services in all settings.

(c) Long-term plans for local projects that do not receive their full allocation in the first year, other than those selected in 1993, should consider how to meet the assessed needs of low-income children and families within their neighborhoods or communities. These plans also should reflect a process to meet these needs as additional allocations and other resources are received.

(d) State funds designated for start-up and related activities may be used for capital expenses or to support activities and services for children, families, and providers. State funds designated to support direct services for children, families, and providers shall not be used for major capital expenses unless the North Carolina Partnership approves this use of State funds based upon a finding that a local partnership has demonstrated that (i) this use is a clear priority need for the local plan, (ii) it is necessary to enable the local partnership to provide services and activities to underserved children and families, and (iii) the local partnership will not otherwise be able to meet this priority need by using State or federal funds available to that local partnership. The funds approved for capital projects in any two consecutive fiscal years may not exceed ten percent (10%) of the total funds for direct services allocated to a local partnership in those two consecutive fiscal years.

(e) State funds allocated to local partnerships shall not supplant current expenditures by counties on behalf of young children and their families, and maintenance of current efforts on behalf of these children and families shall be sustained. State funds shall not be applied without the Secretary's approval where State or federal funding sources, such as Head Start, are available or could be made available to that county.

(f) This section was repealed by Session Law 2001-424. Section 21.75.(g).

(g) Not less than thirty percent (30%) of the funds spent in each year of each local partnership's direct services allocation shall be used to expand child care subsidies. To the extent practicable, these funds shall be used to enhance the affordability, availability, and quality of child care services as described in this section. The North Carolina Partnership may increase this percentage requirement up to a maximum of fifty percent (50%) when, based upon a significant local waiting list for subsidized child care the North Carolina Partnership determines a higher percentage is justified. Local partnerships shall spend an amount for child care subsidies that provides at least fifty-two million dollars ($52,000,000) for the Temporary Assistance to Needy Families (TANF) maintenance of effort requirement and the Child Care Development Fund and Block Grant match requirement. [1993 (Reg. Sess.,1994), c. 766, s. 1; 1995, c. 509, s. 97; 1996, 2nd Ex. Sess.,c. 18, s. 24.29(e); 1997-443, s. 11.55(n); 1997-506, s. 60; 1998-
(h) State funds allocated to local partnerships that are unexpended at the end of a fiscal year shall remain available to the North Carolina Partnership for Children, Inc., to reallocate to local partnerships.

§ 143B-168.16. Home-centered services; consent.

No home-centered services including home visits or in-home parenting training shall be allowed under this Part unless the written, informed consent of the participating parents authorizing the home-centered services is first obtained by the local partnership, educational institution, local school administrative unit, private school, not-for-profit organization, governmental agency, or other entity that is conducting the parenting program. The participating parents may revoke at any time their consent for the home-centered services.

The consent form shall contain a clear description of the program including (i) the activities and information to be provided by the program during the home visits, (ii) the number of expected home visits, (iii) any responsibilities of the parents, (iv) the fact, if applicable, that a record will be made and maintained on the home visits, (v) the fact that the parents may revoke at any time the consent, and (vi) any other information as may be necessary to convey to the parents a clear understanding of the program.

Parents at all times shall have access to any record maintained on home-centered services provided to their family and may place in that record a written response to any information with which they disagree that is in the record. [1993 (Reg. Sess., 1994), c. 766, s. 1.]

(Language appearing in this section is applicable only through June 30, 2017. On that date it automatically sunsets and is no longer applicable unless the General Assembly renews it for subsequent years.) SECTION 12B.7.(a) Policies. – The North Carolina Partnership for Children, Inc., and its Board shall establish policies that focus the North Carolina Partnership for Children, Inc.’s mission on improving child care quality in North Carolina for children from birth to five years of age. North Carolina Partnership for Children, Inc.-funded activities shall include assisting child care facilities with (i) improving quality, including helping one-, two-, and three-star rated facilities increase their star ratings and (ii) implementing prekindergarten programs. State funding for local partnerships shall also be used for evidence-based or evidence-informed programs for children from birth to five years of age that do the following:

1. Increase children's literacy.
2. Increase the parents' ability to raise healthy, successful children.
3. Improve children's health.
4. Assist four- and five-star rated facilities in improving and maintaining quality.

SECTION 12B.7.(b) Administration. – Administrative costs shall be equivalent to, on an average statewide basis for all local partnerships, not more than eight percent (8%) of the total statewide allocation to all local partnerships. For purposes of this subsection, administrative costs shall include costs associated with partnership oversight, business and financial management, general accounting, human resources, budgeting, purchasing, contracting, and information systems management. The North Carolina Partnership for Children, Inc., shall develop a single statewide contract management system that incorporates features of the required standard fiscal accountability plan described in G.S. 143B-168.12(a)(4). All local partnerships shall be required to participate in the contract management system and shall be directed by the North Carolina Partnership for Children, Inc., to collaborate, to the fullest extent possible, with other local partnerships to increase efficiency and effectiveness.

SECTION 12B.7.(c) Salaries. – The salary schedule developed and implemented by the North Carolina Partnership for Children, Inc., shall set the maximum amount of State funds that may be used for the salary of the Executive Director of the North Carolina Partnership for Children, Inc., and the directors of the local partnerships. The North Carolina Partnership for Children, Inc., shall base the schedule on the following criteria:

1. The population of the area serviced by a local partnership.
2. The amount of State funds administered.
3. The amount of total funds administered.
4. The professional experience of the individual to be compensated.
5. Any other relevant factors pertaining to salary, as determined by the North Carolina Partnership for Children, Inc.

The salary schedule shall be used only to determine the maximum amount of State funds that may be used for compensation. Nothing in this subsection shall be construed to prohibit a local partnership from using
non-State funds to supplement an individual's salary in excess of the amount set by the salary schedule established under this subsection.

CAP STATE FUNDED PORTION OF NONPROFIT SALARIES

SECTION 6.26. No more than one hundred twenty thousand dollars ($120,000) in State funds may be used for the annual salary of any individual employee of a nonprofit organization receiving State funds. For the purposes of this section, the term "State funds" means funds as defined in G.S. 143C-1-1(d)(25) and any interest earnings that accrue from those funds.

Note: G.S. 142C-1-1(d)(25) State funds. - Any moneys including federal funds deposited in the State treasury except moneys deposited in a trust fund or agency fund as described in G.S. 143C-1-3.

SECTION 12B.7.(d) Match Requirements. – It is the intent of the General Assembly to continue to increase the percentage of the match of cash and in-kind contributions required of the North Carolina Partnership for Children, Inc., and the local partnerships. The North Carolina Partnership for Children, Inc., and all local partnerships shall, in the aggregate, be required to match one hundred percent (100%) of the total amount budgeted for the program in each fiscal year of the biennium. Of the funds the North Carolina Partnership for Children, Inc., and the local partnerships are required to match, contributions of cash shall be equal to at least twelve percent (12%), and in-kind donated resources shall be equal to no more than five percent (5%) for a total match requirement of seventeen percent (17%) for the 2015-2016 fiscal year; and contributions of cash shall be equal to at least thirteen percent (13%), and in-kind donated resources shall be equal to no more than six percent (6%) for a total match requirement of nineteen percent (19%) for the 2016-2017 fiscal year. The North Carolina Partnership for Children, Inc., may carry forward any amount in excess of the required match for a fiscal year in order to meet the match requirement of the succeeding fiscal year. Only in-kind contributions that are quantifiable shall be applied to the in-kind match requirement. Volunteer services may be treated as an in-kind contribution for the purpose of the match requirement of this subsection. Volunteer services that qualify as professional services shall be valued at the fair market value of those services. All other volunteer service hours shall be valued at the statewide average wage rate as calculated from data compiled by the Employment Security Commission in the Employment and Wages in North Carolina Annual Report for the most recent period for which data are available. Expenses, including both those paid by cash and in-kind contributions, incurred by other participating non-State entities contracting with the North Carolina Partnership for Children, Inc., or the local partnerships, also may be considered resources available to meet the required private match. In order to qualify to meet the required private match, the expenses shall:

1. Be verifiable from the contractor's records.
2. If in-kind, other than volunteer services, be quantifiable in accordance with generally accepted accounting principles for nonprofit organizations.
3. Not include expenses funded by State funds.
4. Be supplemental to and not supplant preexisting resources for related program activities.
5. Be incurred as a direct result of the Early Childhood Initiatives Program and be necessary and reasonable for the proper and efficient accomplishment of the Program's objectives.
6. Be otherwise allowable under federal or State law.
7. Be required and described in the contractual agreements approved by the North Carolina Partnership for Children, Inc., or the local partnership.
8. Be reported to the North Carolina Partnership for Children, Inc., or the local partnership by the contractor in the same manner as reimbursable expenses.

Failure to obtain a seventeen percent (17%) match by June 30 of the 2015-2016 fiscal year and a nineteen percent (19%) match by June 30 of the 2016-2017 fiscal year shall result in a dollar-for-dollar reduction in the appropriation for the Program for a subsequent fiscal year. The North Carolina Partnership for Children, Inc., shall be responsible for compiling information on the private cash and in-kind contributions into a report that is submitted to the Joint Legislative Oversight Committee on Health and Human Services in a format that allows verification by the Department of Revenue. The same match requirements shall apply to any expansion funds appropriated by the General Assembly.
SECTION 12B.9.(e) Bidding. – The North Carolina Partnership for Children, Inc., and all local partnerships shall use competitive bidding practices in contracting for goods and services on contract amounts as follows:

1. For amounts of five thousand dollars ($5,000) or less, the procedures specified by a written policy to be developed by the Board of Directors of the North Carolina Partnership for Children, Inc.

2. For amounts greater than five thousand dollars ($5,000), but less than fifteen thousand dollars ($15,000), three written quotes.

3. For amounts of fifteen thousand dollars ($15,000) or more, but less than forty thousand dollars ($40,000), a request for proposal process.

STUDY COSTS AND EFFECTIVENESS ASSOCIATED WITH NC PRE-K SLOTS
SECTION 12B.4.(a) As the objective of the NC Pre-K program is to provide high-quality educational experiences to enhance school readiness for eligible four-year-olds, the Department of Health and Human Services, Division of Child Development and Early Education, in consultation with the Department of Public Instruction shall study the costs and effectiveness associated with funding slots for the NC Pre-K program. In its promotion of a successful transition from preschool to kindergarten, the Department of Health and Human Services shall recommend that both NC Pre-K teachers and preschool teachers prepare a preschool to kindergarten transition plan for each child transitioning to kindergarten that documents the child's strengths and needs based on the five Goals and Developmental Indicator domains for children's developmental and learning progress that are based on the NC Foundations for Early Learning and Development. The preparation of the transition plan shall only apply to children who receive assistance through the NC Pre-K program or the Child Care Subsidy Assistance program. It is the intent of the General Assembly that the Departments utilize this transition plan until such time as the standardized program to transition children from preschool to kindergarten, required pursuant to subsection (e) of this section, is developed and implemented.

Section 12B.5.(c) The Department of Health and Human Services shall report on the implementation of the transition plan required pursuant to subsection (c) of this section, including any findings and recommendations and any legislative proposals, to the Joint Legislative Oversight Committee on Health and Human Services and the Joint Legislative Education Oversight Committee on or before December 15, 2016.

CHILD CARE SUBSIDY RATES

SECTION 12B.2.(a) The maximum gross annual income for initial eligibility, adjusted biennially, for subsidized child care services shall be determined based on a percentage of the federal poverty level as follows:

<table>
<thead>
<tr>
<th>AGE</th>
<th>INCOME PERCENTAGE LEVEL</th>
</tr>
</thead>
<tbody>
<tr>
<td>0-5</td>
<td>200%</td>
</tr>
<tr>
<td>6-12</td>
<td>133%</td>
</tr>
</tbody>
</table>

The eligibility for any child with special needs, including a child who is 13 years of age or older, shall be two hundred percent (200%) of the federal poverty level.

SECTION 12B.2.(b) Effective September 1, 2015, the Department of Health and Human Services, Division of Child Development and Early Education, shall revise its child care subsidy policy to exclude from the policy's definition of "income unit" a nonparent relative caretaker, and the caretaker's spouse and child, if applicable, when the parent of the child receiving child care subsidy does not live in the home with the child.

SECTION 12B.2.(c) Fees for families who are required to share in the cost of care are established based on ten percent (10%) of gross family income. Co-payments for part-time care shall be seventy-five percent (75%) of the full-time co-payment.

SECTION 12B.2.(d) Payments for the purchase of child care services for low-income children shall be in accordance with the following requirements:

1. Religious-sponsored child care facilities operating pursuant to G.S. 110-106 and licensed child care centers and homes that meet the minimum licensing standards that are participating in the subsidized child care program shall be paid the one-star county market rate or the rate they charge privately paying parents, whichever is lower, unless prohibited by subsection (g) of this section.

2. Licensed child care centers and homes with two or more stars shall receive the market rate for that rated license level for that age group or the rate they charge privately paying parents, whichever is lower, unless prohibited by subsection (g) of this section.

3. Nonlicensed homes shall receive fifty percent (50%) of the county market rate or the rate they charge privately paying parents, whichever is lower.

4. No payments shall be made for transportation services or registration fees charged by child care facilities.

5. Payments for subsidized child care services for postsecondary education shall be limited to a maximum of 20 months of enrollment.

6. The Department of Health and Human Services shall implement necessary rule changes to restructure services, including, but not limited to, targeting benefits to employment.

SECTION 12B.2.(e) Provisions of payment rates for child care providers in counties that do not have at least 50 children in each age group for center-based and home-based care are as follows:

1. Except as applicable in subdivision (2) of this subsection, payment rates shall be set at the statewide or regional market rate for licensed child care centers and homes.

2. If it can be demonstrated that the application of the statewide or regional market rate to a county with fewer than 50 children in each age group is lower than the county market rate and would inhibit the ability of the county to purchase child care for low-income children, then the county market rate may be applied.
SECTION 12B.2.(f) A market rate shall be calculated for child care centers and homes at each rated license level for each county and for each age group or age category of enrollees and shall be representative of fees charged to parents for each age group of enrollees within the county. The Division of Child Development and Early Education shall also calculate a statewide rate and regional market rate for each rated license level for each age category.

SECTION 12B.2.(g) The Division of Child Development and Early Education shall continue implementing policies that improve the quality of child care for subsidized children, including a policy in which child care subsidies are paid, to the extent possible, for child care in the higher quality centers and homes only. The Division shall define higher quality, and subsidy funds shall not be paid for one- or two-star rated facilities. For those counties with an inadequate number of four- and five-star rated facilities, the Division shall continue a transition period that allows the facilities to continue to receive subsidy funds while the facilities work on the increased star ratings. The Division may allow exemptions in counties where there is an inadequate number of four- and five-star rated facilities for nonstar rated programs, such as religious programs.

SECTION 12B.2.(h) Facilities licensed pursuant to Article 7 of Chapter 110 of the General Statutes and facilities operated pursuant to G.S. 110-106 may participate in the program that provides for the purchase of care in child care facilities for minor children of needy families. Except as authorized by subsection (f) of this section, no separate licensing requirements shall be used to select facilities to participate. In addition, child care facilities shall be required to meet any additional applicable requirements of federal law or regulations. Child care arrangements exempt from State regulation pursuant to Article 7 of Chapter 110 of the General Statutes shall meet the requirements established by other State law and by the Social Services Commission.

County departments of social services or other local contracting agencies shall not use a provider's failure to comply with requirements in addition to those specified in this subsection as a condition for reducing the provider's subsidized child care rate.

SECTION 12B.2.(i) Payment for subsidized child care services provided with Work First—Temporary Assistance for Needy Families Block Grant funds shall comply with all regulations and policies issued by the Division of Child Development for the subsidized child care program.

SECTION 12B.2.(j) Noncitizen families who reside in this State legally shall be eligible for child care subsidies if all other conditions of eligibility are met. If all other conditions of eligibility are met, noncitizen families who reside in this State illegally shall be eligible for child care subsidies only if at least one of the following conditions is met:

(1) The child for whom a child care subsidy is sought is receiving child protective services or foster care services.

(2) The child for whom a child care subsidy is sought is developmentally delayed or at risk of being developmentally delayed.

(3) The child for whom a child care subsidy is sought is a citizen of the United States.

SECTION 12B.2.(k) Department of Health and Human Services, Division of Child Development and Early Education, shall require all county departments of social services to include on any forms used to determine eligibility for child care subsidy whether the family waiting for subsidy is receiving assistance through the NC Pre-K Program or Head Start.

CHILD CARE SUBSIDY MARKET RATE INCREASES/CERTAIN AGE GROUPS AND COUNTIES

"SECTION 12B.2A.(a) Beginning January 1, 2016, the Department of Health and Human Services, Division of Child Development and Early Education, shall increase the child care subsidy market rates to the rates recommended by the 2015 Child Care Market Rate Study from birth through two years of age in three-, four-, and five-star-rated child care centers and homes in tier one and tier two counties. For purposes of this
section, tier one and tier two counties shall have the same designations as those established by the N.C. Department of Commerce's 2015 County Tier Designations.

"SECTION 12B.2A.(b) Beginning October 1, 2016, the Division shall increase the child care subsidy market rates to the rates recommended by the 2015 Child Care Market Rate Study from age three through five years in three-, four-, and five-star-rated child care centers and homes in tier one and tier two counties."

STUDY CHILD CARE SUBSIDY RATE SETTING

SECTION 12B.2 The Department of Health and Human Services, Division of Child Development and Early Education, shall study how rates are set for child care subsidy. In conducting the study, the Division shall, at a minimum, review market rate studies and other methodologies for establishing rates, including any cost estimation models, along with the pros and cons of each method reviewed. The Division shall report to the House Appropriations Committee on Health and Human Services, the Senate Appropriations Committee on Health and Human Services, and the Fiscal Research Division by March 1, 2017, on any recommendations, including the suggested methodology to be used for setting rates, as well as time frames for implementing the methodology.

CHILD CARE ALLOCATION FORMULA

SECTION 12B.3.(a) The Department of Health and Human Services shall allocate child care subsidy voucher funds to pay the costs of necessary child care for minor children of needy families. The mandatory thirty percent (30%) North Carolina Partnership for Children, Inc., subsidy allocation under G.S. 143B-168.15(g) shall constitute the base amount for each county's child care subsidy allocation. The Department of Health and Human Services shall use the following method when allocating federal and State child care funds, not including the aggregate mandatory thirty percent (30%) North Carolina Partnership for Children, Inc., subsidy allocation:

1. Funds shall be allocated to a county based upon the projected cost of serving children under age 11 in families with all parents working who earn less than the applicable federal poverty level percentage set forth in Section 12B.2 of this act.

2. The Department of Health and Human Services shall allocate to counties all State funds appropriated for child care subsidy and shall not withhold funds during the 2015-2016 and 2016-2017 fiscal years.

SECTION 12B.3.(b) The Department of Health and Human Services may reallocate unused child care subsidy voucher funds in order to meet the child care needs of low-income families. Any reallocation of funds shall be based upon the expenditures of all child care subsidy voucher funding, including North Carolina Partnership for Children, Inc., funds within a county.

SECTION 12B.3.(c) When implementing the formula under subsection (a) of this section, the Department of Health and Human Services, Division of Child Development and Early Education, shall include the market rate increase in the formula process, rather than calculating the increases outside of the formula process. Additionally, the Department shall do the following:

1. For fiscal year 2015-2016, (i) continue implementing one-third of the change in county's allocation based on the new Census data; (ii) implement an additional one-third of the change in a county's allocation beginning fiscal year 2016-2017; and (iii) the final one-third change in a county's allocation beginning fiscal year 2018-2019. However, beginning fiscal year 2015-2016, a county's initial allocation shall be the county's expenditure in the previous fiscal year. With the exception of market rate increases consistent with any increases approved by the General Assembly, a county whose spending coefficient is less than ninety-five percent (95%) in the previous fiscal year shall receive its prior year's expenditure as its allocation and shall not receive an increase in its allocation in the following year. A county whose spending coefficient is at least ninety-five percent (95%) in the previous fiscal year shall receive, at a minimum, the amount it expended in the
previous fiscal year and may receive additional funding, if available. The Division may
waive this requirement and allow an increase if the spending coefficient is below
ninety-five percent (95%) due to extraordinary circumstances, such as a State or federal

this Article as if such duty or activity were performed within the territorial boundary
limits of their employer.

Except as otherwise provided herein, every executive officer elected or

federal income tax under section 501(c)(3) of the Internal Revenue Code, who
performs only voluntary service for the nonprofit corporation, provided that the
person receives no remuneration for the voluntary service other than reasonable
reimbursement for expenses incurred in connection with the voluntary service.
When a nonprofit corporation as described herein employs one or more persons
who do receive remuneration other than reasonable reimbursement for expenses,
then any volunteer officers, directors, or committee members excluded from the

employed in the same business or establishment pursuant to G.S. 97-2(1). Other
than for the limited purpose of determining the number of persons regularly
employed in the same business or establishment, such volunteer nonprofit
officers, directors, or committee members shall not be "employees" under the
Act. Nothing herein shall prohibit a nonprofit corporation as described herein
